

Fire Safety Policy

At **Little Bees Nature Preschool/ Beaufort Community Association Childcare** we take reasonable steps to ensure the safety of children, staff and others on the setting premises in the case of a fire or other emergency through our Fire safety policy and emergency evacuation procedures.

The *manager/*designated fire marshal is **Shamas D’Agostino**.

We ensure the setting premises are compliant with fire safety regulations, including following any major changes or alterations to the premises. The *manager/*designated fire marshal ensures all the appropriate fire detection and control equipment (e.g. fire alarms, smoke detectors, fire blankets and/or fire extinguishers) is in working order and seeks advice from the local fire safety officer as necessary.

They also have overall responsibility for the fire drill and emergency evacuation procedures. These are carried out and recorded for each group of children every three months or as and when a large change occurs e.g. a large intake of children or a new member of staff joins the setting. These drills are planned to occur at different times of the day and on different days to ensure evacuations are possible under different circumstances and all children and staff participate in the rehearsals.

All staff receive fire safety and evacuation training (including as part of induction) to help them understand their roles and responsibilities. This includes the steps they must take to ensure the safety of children, for example keeping fire doors free from obstruction, how to safely evacuate the children and where the evacuation meeting point is situated. Each room has a specific evacuation plan, which includes information such as evacuating non-mobile babies and using alternative exits depending on where the fire may be situated.

The *manager/*designated fire marshal checks fire detection and control equipment and fire exits in line with the timescales within the checklist below.

Registration

An accurate record of all staff and children present in the building must be kept at all times with children and staff marked in and out on arrival and departure. An accurate record of visitors is kept in the visitor's book. These records are taken out along with the register and emergency contacts list in the event of a fire.

No smoking/vaping policy

The setting operates a strict no smoking/vaping policy – please see this separate policy for details.

Fire drill procedure

On discovering a fire:

- Calmly raise the alarm by *blowing the whistle/*ringing the bell/*breaking the alarm glass
- Immediately evacuate the building under guidance from the *manager on duty/*fire marshal (collecting children's room registers, where applicable)
- Using the nearest accessible exit lead the children out, assemble at [**fire assembly point location point across the other side of the car park**]
- Close all doors and windows behind you wherever possible
- **Please see our Emergency Procedures displayed near preschool Kitchen**
- Do not stop to collect personal belongings on evacuating the building
- Do not attempt to go back in and fight the fire
