## **Little Bees Nature Preschool Operational Plan**

At Little Bees Nature Preschool we provide quality affordable childcare for the families in and around the local community. Quality childcare brings not only huge benefits for the children but also benefits for the whole community, enabling parents to start and/or return to work, combine employment with family life and enabling employers to retain and recruit employees from the local community.

We want parents to feel confident about the quality of care that is provided for their child in order for them to have no concerns for their child's health, welfare and early learning. We continuously reflect on the quality we provide and further develop our practice in line with policy, research, best practice, internal and external feedback. We ensure we update our business and action plans at least annually and combine this information.

We welcome parents' opinions and contributions to the quality improvement process and actively seek feedback through questionnaires, parents' evenings and informal discussion, which is recorded.

In order for our setting to run effectively and efficiently serve local community needs, it is important that we have an operational plan that is implemented, reviewed and revised on a regular basis. This plan is a blueprint for managing the setting. It describes how the setting is run and what type of service is provided. It describes the setting service, the structure of the setting, who is responsible and guidance on practices and procedures.

The plan is used by the setting manager, staff, parents and outside agencies as a reference tool for general day-to-day practice and a tool against which to assess the quality of the service provided. We review this policy on a regular basis **termly**, using reflective practice, and make and implement any necessary changes following a review.

Our operational plan includes:

## Main index

The Early Years Foundation Stage

- Learning and development requirements
- Assessment and Progress check at age two
- Key person approach
- Equal opportunities and inclusion.

Safeguarding children and child protection

- Emergency contacts
- Designated person(s).
